CHATTANOOGA'S BIG PARADE

The Battle of the City Fittingly Celebrated.

AN EMBLEM OF PEACE AND LOVE

Union Veterans and Veterans of the Confederacy March Side by Side, a Company of the Latter Carrying the Stars and Stripes.

CHATTANOOGA, Sept. 21.—One of the leading features of yesterday's events, one that caused perhaps more comment, more enthusiastic cheering, and which will make a lasting impression upon those who saw it, was a company of Confederate veterans attired in their tattered old uniforms of gray, carrying the Stars and Stripes. They formed a part of the big parade, and as they passed through the miles and miles of streets they were tendered an ovation that would have honored an emperor. Not one of these old war dogs was under 60, and yet they marched with a precision of step that would have done justice to West Point cadets. And one of them, the one next to the color bearer, carried an olive wreath, an emblem of peace and love.

The day's doings started off with the parade, and all Chattanooga and the tens of thousands of visitors turned out to see it. There were twenty-two carriages in line, containing the most distinguished of the citizens' guests remaining in the city. In the first carriage was Vice President A. E. Stevenson, and Speaker of the House of Representatives Charles F. Crisp. The second was occupied by Hon. J. W. Madison, of Georgia, and Hon. Benton McMillan, of Tennessee, and in successive carriages were seen men of no lesser rank.

Following the carriages came the military band of the city. It came about in this way: Governor Woodbury said that during the war each side believed they were right, but now the southerners would have to teach their children the south was wrong.

Governor Turney took exception to this in his speech. "I believed I was right during the four years and nineteen days I served in the Confederate army," he said, "and at the end of that time I thought I was right. I still think I was right, and shall teach my children so. No one is more loyal to the Stars and Stripes than I, and no one is more loyal to the government, but I never can be convinced that the south was wrong."

This rather frank expression caused a great stir in the audience, and when the meeting adjourned was the topic of general conversation on all sides.

Barnum's tent was filled again last night. There was a gathering of the Army of Northern Virginia and that portion of the Army of the Potomac which fought at Chickamauga. General E. C. Wilham, of Mississippi, presided. Colonel W. C. Oates, governor of Alabama, was the first speaker, and he was greeted with enthusiastic cheers. Colonel J. A. Williamson, of New York, and Colonel L. B. Steadman, of New York, also spoke, after which the meeting adjourned.

Yesterday the citizens of Chattanooga paid their compliments to General H. V. Boynton, who originated the idea of making a national park of the battlefield of Chickamauga. A number of citizens, headed by Captain H. D. Chambers, chairman of the executive committee of Chattanooga, and the Hon. A. S. Ochs, of the Chattanooga Times, went to the general's office in the government building and presented him with a silver dinner set containing 225 pieces. It was a complete surprise to the venerable gentleman, and he was so overcome that he could scarcely express his thanks.

Twelve German Soldiers Killed.
BERLIN, Sept. 21.—A railway train, with 1,500 soldiers on board, came into collision with a freight train standing at the station at Hagenau, Saxony, demolishing a number of cars of both trains. Twelve soldiers were instantly killed, and sixty were injured. Many others were missing, and the debris is being searched for their bodies. The soldiers were returning from Stettin, where they had taken part in the military maneuvers. Five cars of the soldiers' train and two of the freight train were smashed into small pieces.

The Cuban Insurrection.
HAYATI, Sept. 21.—Dispatches received in this city report an attack upon a railway train by insurgents near Tunlen. A detachment of civil guards protecting the train, repelled the attacking party and killed four of them. The village of Grinia, in the province of Santa Clara, and in which were fifty houses, has been burned by insurgents.

Caught Between Belt and Grindstone.

He was caught between a belt and a grindstone, and rapidly whirled about the machinery. When extricated he was found to be horribly mangled, nearly every bone in his body being crushed to pieces.

THE DEMOCRATIC TICKET!

Preliminary Skirmishes Will Take Place This Evening.

LIST OF PROBABLE NOMINEES!

Dunn, Master, Bechtel, Keegan and Marshall Said to be Stated—A Fight in the Fifth Ward over the Poor Directorship.

Tonight the Democratic party will have its skirmish preliminary to the battle which is to take place at the county convention to be held in Pottsville on Monday. The primaries for the election of delegates to attend that convention and nominate the ticket for the election in November will form the nucleus of the skirmishes referred to.

Conversation with the majority of the Democrats would lead one to suppose that nothing but harmony exists in the ranks and that the convention on Monday will be a regular love feast, but affairs are not quite so smooth as that. There will be contests to-night and probably some of them will be carried into the convention, but the indications are that the ticket which the EVENING HERALD predicted two months ago will be nominated by a good majority. This ticket is as follows: Judge of Orphans' Court, P. M. Dunn, Esq., of Minersville; District Attorney, Edgar W. Bechtel, Esq., of Pottsville; Controller, M. H. Master, of Shenandoah; Director of the Poor, W. F. Keegan, of Mahanoy City; Coroner, Dr. D. S. Marshall, of Ashland. This is a slate which has been passed from hand to hand for weeks and the close observer cannot discern even the suspicion of a crack in it.

It must be admitted that from a geographical point of view it is a strong one, giving Shenandoah, Pottsville, Ashland, Mahanoy City and Minersville a representation on the ticket and thus giving a voice to the Democrats of all the leading towns in the county.

The situation as it appeared this afternoon is that the main fight is on the Orphans' Court Judgeship, but that does not extend to all parts of the county. In Shenandoah, for instance, the sentiment is unanimously in favor of Dunn. It is claimed in his behalf that he is an able practitioner of long standing, popular among his fellowmen, and a fearlessly working Democrat under all circumstances; and his geographical location, his nativity, and his peculiar fitness generally all point to his selection. It is also claimed by Mr. Dunn's Democratic friends that as Lyon is to be the probable nominee of the Republicans, and Lyon was brought out by Senator Coyle, it will be necessary to nominate Dunn in preference to either Schack or Heibel so that the Irish vote may not be split up.

M. H. Master, of town, appears to have a clear road for the Controllership nomination. So far no other name has been mentioned in connection with the position on the Democratic ticket. His qualifications are generally recognized, and the nomination is conceded to the element of the party that he represents. As to the Poor Directorship, it is claimed, Keegan's chances are as good as those already mentioned, for the reason that if Lyons is nominated for Judge by the Republicans and the Democrats do not put Mahanoy City man in the field, Lyons will have an excellent chance to bid for complimentary votes. Keegan's nomination, it is said, will keep the votes straight.

The statement that there is no contest in Shenandoah is not correct. There is a bitter fight in the Fifth ward for the delegateship. Justice J. J. Carlin and Martin Foyle are running as a team on a declared platform of any man for the best ticket, while John Woods and Martin Ryan are making an open fight on the Poor Directorship, favoring the nomination of John Bergen, of Berksville. This is really the only fight in the town.

The candidates for the delegateship in respective wards other than the one just referred to are: First ward, Martin Lally and Martin Mulhany; Second, F. J. Brennan and Charles J. Quinn; Third, Thomas Kelly and R. O. Hess; Fourth, John Scoulan and Frank Ringmeyer. Unless somebody is going around with a sensation up his sleeve these candidates will be elected without opposition, and it is understood they will advocate the nomination of the slate given above.

Outside of Shenandoah the main fight is on the Judgeship, with here and there pretty hot contests over the selection of signaling commissioners. The latter is the most bitter bone of contention in Mahanoy City.

"V" Program.
A regular meeting of the "V" will be held at the usual place this evening and the following program will be rendered: Singing, scripture reading, John Bath singing; reading, Lizzie Brooks solo; Miss Brown singing, Clara Yeet; "Why am I a member of the 'V'?" Miss Cline; declamation, J. B. Daines, etc.

Several boys saw the accident and they gave an alarm that caused the machinery to be stopped, but not until after Duly had sustained a comminuted fracture of the right thigh, compound fracture and laceration of the left arm and four broken ribs.
